

To the wonderful people that helped  
my family and I last year.

I would like to say thank  
you for everything that you did for  
my family and I. My family and me are  
really thankful. Last year was not a  
good time for my family, we were going  
through a hard time. This year we are  
doing a lot better. My dad just started a  
new job in San Antonio as a truck driver.  
My dad is very happy and thankful  
for it. A couple of weeks ago my brother  
started a job working for a retirement  
home as a dishwasher. My dad and brother  
are really happy and they thank God that  
they were able to get jobs. My brother  
and I are really thankful for our  
school clothes and our coats. My coat  
is very warm and nice, I love it and  
I'm thankful for it. My mommy is doing  
good, she loves having hot water and a  
heater. It was cold last year and it  
is getting that way again. We thank  
you for helping us with getting it on.  
My family and I are very thankful for

our van that you have blessed us with. MY dad just put new tires, brakes, and gave it a oil change. We are taking care of our van. This year alot of good things have happen for MY family. This year MY dad and brother got jobs, we were able to afford cable and Internet this year, we were able to get a laptop, and MY brother, dad, and I were able to get cell phones, So we can keep in touch with each other when he is working in San Antonio. We are still caught up on our bills. MY family and I can't thank you enough for helping us. It was a dream come true and a major blessing. This Year we were able to afford 2 new PUPPIES for me and MY brother. MY brother has a cute little female beagle mix PUPPY name daisy and I have a cute Pitbull PUPPY who is very friendly and Playful. I call her Sasha. MY family and I are doing good we are able to afford things this year. MY family and I thank you so much for everything that you did for us.

On The behalf of MY family and  
I we wish you a happy  
Thanks giving and a very merry  
christmas. Thank you so much.

to our family.
